

Dear Alumni,

We cordially invite you to our sixth Alumni Day on **May 22 and 23, 2025** at LIKAT.

After the extremely successful alumni reunion in spring 2023, we would be delighted to welcome many former colleagues here again.

The program will be based on that of the last meeting. In addition, there is the possibility of following the official meeting on Thursday and Friday with a short weekend at the Baltic Sea. 😊

### **Preliminary program**

#### **Thu, 22.05.2025**

Noon – Afternoon	Welcome and alumni presentations  Time for individual tours and discussions with current PhDs and other colleagues
Evening	Barbeque together

#### **Fri, 23.05.2025**

Morning	Lectures by the alumni
early afternoon	Farewell with a small lunch snack

Depending on the response, we would like to extend the amounts to two days again in order to offer sufficient time for exchange.

If you would like to attend, please send a short message to [alumni@catalysis.de](mailto:alumni@catalysis.de).

We look forward to your visit and interesting discussions.

Best regards

The LIKAT alumni team
